

Empowering Growth & Inspiring Excellence

Educators & School Systems

The Meraki Institute of Learning at Tanager has a long-standing history providing leadership and support to school districts that enhances the resiliency and wellbeing of children, families, professionals, communities, and systems. We do this across three pillars of engagement.

District Leadership

- Various Formats
 - Large & Small Group
 - One-on-one
- Long Term Results:
 - Identified goals
 - Strategic planning
 - Sustainable Change

Student Support

- Student Services
 - Screening & Assessment
 - Treatment
 - Referral
- Comprehensive Consultation
 - Educator Coaching
 - Classroom Interventions
 - Resource Offerings

Training & Professional Development

- Courses for all!
 - Educators
 - Families
 - District Wide Learning
 - Building & Department Specific
- Customized Learning Options
 - In-Person events, webinars, supplemental worksheets, activities and more
